

# Facilities Services

## Various Works

Cleshar is an established provider of facilities services to the railway industry and has over 15 years of continuous service on the London Underground infrastructure.

We have successfully carried out more than £50,000,000 (sterling) worth of facilities/cleaning contracts and built a reputation for establishing close working and seamless relationships with our clients, partners and alliance members.

Our services include but are not limited to:

- Track Litter Picking and Cleaning
- Station Cleaning
- Escalator Cleaning
- Weights Testing
- Graffiti Removal
- Chewing Gum Removal
- De-icing
- Provision of Safety Critical Resources
